**DETAILED ACTION**

1. Claims 1-28 are presented for examination.

***Claim Rejections - 35 USC § 102***

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in a patent granted on an application for patent by another filed in the United States before the invention thereof by the applicant for patent, or on an international application by another who has fulfilled the requirements of paragraphs (1), (2), and (4) of section 371(c) of this title before the invention thereof by the applicant for patent.

The changes made to 35 U.S.C. 102(e) by the American Inventors Protection Act of 1999 (AIPA) and the Intellectual Property and High Technology Technical Amendments Act of 2002 do not apply when the reference is a U.S. patent resulting directly or indirectly from an international application filed before November 29, 2000. Therefore, the prior art date of the reference is determined under 35 U.S.C. 102(e) prior to the amendment by the AIPA (pre-AIPA 35 U.S.C. 102(e)).

3. Claims 1-28 are rejected under 35 U.S.C. 102(e) as being anticipated by Bezos et al., US pat. No.6,029,141.

receiving at said intermediary a request from said subscriber to access (customer access) said user account, whereupon said subscriber's identity is verified by said intermediary against said personal information (see col.6 line 41 to col.7 line 51 and col.13 line 8 to col.14 line 52).

responsive to successful verification of said subscriber's identity, said intermediary entering into a transaction with said vendor on behalf of said subscriber pursuant to said subscriber's instruction and notifying said subscriber upon completion of said transaction (processing customer's "check-outs"), wherein said transaction is completed without disclosing said personal information about said subscriber to said vendor (see col.14 line 38 to col.15 line 60).

As to claim 2, Bezos discloses preparing an account activity statement for said subscriber, wherein said account activity statement includes information about transactions completed through said user account during a statement period (see fig.9 and 10a, col.15 line 17 to col.16 line 67).

As to claim 3, Bezos discloses receiving at said intermediary an item ordered from said vendor on behalf of said subscriber pursuant to said subscriber's instruction and billing said subscriber for services (customers' purchases) rendered (see fig.9 and 10a, col.15 line 17 to col.16 line 67).

As to claims 4 and 5, Bezos discloses notifying said subscriber upon receipt of said item and holding said item for pick-up by said subscriber and shipping said item to said subscriber (specifying payment and shipping information, see fig.9 and 10a, col.14 lines 1-51 and col.15 line 17 to col.16 line 67).

As to claims 6 and 7, Bezos discloses receiving at said intermediary a post-delivery request from said subscriber, said post-delivery request relating to said item and handling said post-delivery request on behalf of said subscriber and consisting of a return request, a repair request, an exchange request, a warranty submission request and a rebate request (see fig.9 and 10a, col.14 lines 1-51 and col.15 line 17 to col.16 line 67).

As to claims 9 and 10, Bezos discloses providing purchase financing to said subscriber in said transaction over the Internet (see fig.9 and 10a, col.14 lines 1-51 and col.15 line 17 to col.16 line 67).

Claims 11-20 are rejected for the same reasons set forth in claims 1-10 respectively.

Claims 21-28 are rejected for the same reasons set forth in claims 1-7 and 10 respectively.
